Re: Freedom of Information Act Request Number EPA-R10-2014-001809

Dear Ms.Burksfield:

This is in response to your Freedom of Information Act (FOIA) request letter received by the U.S. Environmental Protection Agency (EPA) on December 11, 2013, regarding different site assessments of Columbia Ready Mix.

I wish to advise you that Region 10 has no records responsive to your request. The cost to produce your request is waived, pursuant to 40 C.F.R. § 2.107(d)(4).

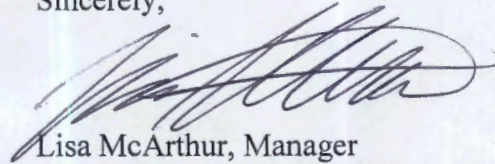

This is not an adverse determination. However, under FOIA you have the right to appeal the following determinations:

- Records denied in whole or in part;
- No responsive records have been located;
- Denied request for fee waiver in whole or in part;
- Denied request for expedited treatment;
- Request fee category assignment;
- Agency has fully responded but because of the voluminous nature of the request, the requester may challenge the reasonableness of the search for records

You have the right to appeal this determination. If you are a registered FOIAonline user, you may submit the appeal through your account. If you prefer to submit a written appeal by postal service, address it to National Freedom of Information Officer, U.S. EPA, 1200 Pennsylvania Avenue, N.W. (2822T), Washington, DC 20460; FAX, (202) 566-2147 or by E-mail: hq.foia@epa.gov. Only items mailed through the United States Postal Service may be delivered to 1200 Pennsylvania Avenue, NW. If you are submitting your appeal via hand delivery, courier service or overnight delivery, you must address your appeal package to 1301 Constitution Avenue, N.W., Room 6416 West, Washington, DC 20004. Your appeal must be submitted no later than 30 calendar days from the date of this letter. The Agency will not consider appeals received after the 30 calendar day limit. The appeal letter should include the FOIA request number listed above. For quickest possible handling, the appeal letter and its envelope should be marked "Freedom of Information Act Appeal."

If you have questions regarding our response to this request, please contact Sara Bent of my staff at 206-553-6350. This concludes the EPA Region 10 response to FOIA request number EPA-R10-2014-001809.

Sincerely,
